BOYS! MEN! I'LL HELP YOU MASTER YUBIWAZA*

— says N.J.FLEMING — YUBIWAZA MASTER

*(YUBIWAZA IS THE SECRET, AMAZINGLY, EASY ART OF SELF-DEFENSE THAT TURNS JUST ONE FINGER OR YOUR HANDS INTO A POTENT WEAPON OF DEFENSE—WITHOUT ANY BODILY CONTACT...)

In just 2 hours after you receive "YUBIWAZA" you will be on your way to being an invincible Yubiwaza Master, at home, this Fast, EASY picture way or it costs you nothing.

"I WEIGH ONLY 98 LBS. — YET I CAN PARALYZE A 200 POUND ATTACKER WITH JUST A FINGER —BECAUSE I KNOW YUBIWAZA!"

says Yoshie Imanami — Pretty Japanese wife of N.J. Fleming — Yubiwaza Master

WHAT YUBIWAZA CAN DO FOR YOU IN JUST A FEW SECONDS . . .

11:05 P.M.—You return from dance. Hoodlums throw insulting remarks to your date.

11:06 P.M.—They attack you with fists and bottles. You counterattack with YUBIWAZA . . .

11:06 P.M. PLUS 7 SECONDS — You are untouched — while every hoodlum is on the run

The VITAL Decision is YOURS to make! Which shall it be? ☐ To play it "chicken" by running away? ☐ Be a "hothead" and be beaten up? ☐ Mail coupon now and be prepared with Yubiwaza to send your attackers flying!

I'M A 3rd-DEGREE HOLDER OF THE BLACK BELT—SYMBOL OF HIGH PROFICIENCY IN THE JAPANESE SYSTEM OF SELF-DEFENSE THAT USES NO WEAPONS BUT BARE HANDS. I spent many years in Japan learning these little-known SECRETS. The most amazingly effective of all Self-Defense techniques that stood out in ALL my Japanese Training is contained in my AMAZING new Yubiwaza book - all yours to have if you ACT NOW. YUBIWAZA is the name of a fantastic system of Self-Defense that makes use of an EASY-to-Learn knowledge of vital body areas and the techniques of the use of just ONE Finger or the entire hand to counteract & overcome ANY violent attack. It is commonly known that with the aid of Yubiwaza, young men - and girls, too! - with only a few hours of training, turn back 2, 3 and even 4 attackers - temporarily DISABLING ONE, putting another to flight, making a third howl with pain, while the fourth begged his opponent to stop!

NOW YOU TOO CAN LEARN YUBIWAZA!

The experts in Japan, who know and teach these ONE-finger techniques, have now explained that YUBIWAZA is a centuries-old system of Self-Defense which is so simple and so effective that outsiders were never instructed in its use. The system was restricted to Japanese who SWORE to apply these methods only in time of danger and attack by an aggressor. Many of the very techniques in my Yubiwaza book, once highly guarded secrets of the ancient Samurai warriors never shown to outsiders are now shown to you - FIRST time!

✓ EASY — And I am now ready to show you, too, through clear, easy-to-understand photos, every secret. I guarantee to make you a YUBIWAZA specialist in hours—or every cent you paid will be refunded. You don't have to attend my school where I train beginners like you and turn them into experts. Now I can show you how to practice YUBIWAZA in the privacy of your own home with only a few minutes of practice a day. I'll show you how to defend yourself against hoodlums, bullies, "wise guys" and juvenile delinquents who respect neither lives nor property.

When you apply YUBIWAZA methods, you can cut an aggressor down with JUST ONE FINGER! You can disarm an opponent rushing you with his fists, a broken bottle, a revolver or any kind of bludgeon. You can turn an aggressor's attack into your advantage with only one finger or your bare hands. No matter how "hot" the action gets, YUBIWAZA keeps you "on top." You can apply simple pressure of your finger against any one of a dozen or more vital nerve centers of your opponent and watch his gun or knife fall from his limp hand while he himself sinks to the ground completely helpless and faint. If the neighborhood bully pushes you, you can make him say "uncle" quickly —with the help of YUBIWAZA!

MASTER EVERY SITUATION!

Make no mistake! The world is crowded with anti-social enemies who think nothing of sticking a knife into the ribs . . . or attacking peace-loving citizens just for the fun of it . . . or molesting boys and girls shamelessly. There is a crying need for a system of self-defense that relies on KNOWLEDGE, not big muscles or strength . . . that depends on TECHNIQUE — not on weight or size of body . . . that is based on simple TRAINING—not on illegal possession of weapons.

When you know YUBIWAZA you can disarm and disable your opponent in seconds. You can repel a mugger who grabs you from behind—no matter how big he is or how much he weighs. Instantly you know WHERE to attack, and how. You learn the body's major vulnerable regions, the defense or on-guard position to take, and your body's personal weapons which you can apply to maximum advantage. I have jam-packed all I know about YUBIWAZA into my Guide, which I have profusely illustrated and clearly explained. I take you step by step through the fundamentals of this amazing system so that you understand clearly and immediately how these effective principles work. You learn these tricks used by marines, police and G-men . . . how to floor any bully. . . how to touch vital spots that will make any attacker helpless. No matter whether you are big or small, strong or weak, you can overpower practically any opponent with lightning speed!

BECOME A NEW MAN!

Knowledge of YUBIWAZA will turn you into a NEW MAN even if you never actually have to use it! For you will become SELF-ASSURED through your ability to handle yourself. You will walk with a determined and confident air secure with the knowledge that NOTHING can frighten you . . . that you can deal with ANY man, ANY weapon, ANY situation—and that you can do all this with NO bodily contact! And you will win respect and admiration from everyone.

Thousands of men of all ages have won confidence and respect by learning YUBIWAZA. YOU can do the same! You owe it to your own peace of mind . . . to your friends and loved ones—to be able to defend yourself in these days when attack may come at any time and place from hoodlums, criminals and delinquents. So mail Coupon NOW for my COMPLETE Instruction on YUBIWAZA. If you and your friends don't say that YUBIWAZA has made a NEW MAN out of you, every cent will be refunded!

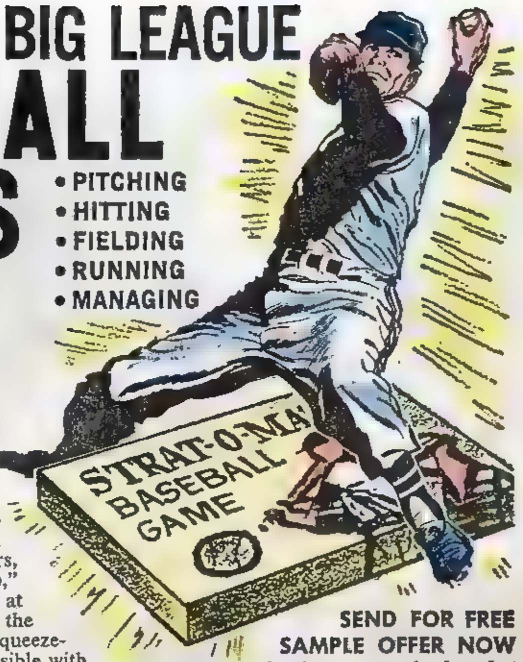
PLAY 1964 BIG LEAGUE BASEBALL GAMES

- PITCHING
- HITTING
- FIELDING
- RUNNING
- MANAGING



Easy to play, real thrilling, exciting baseball with STRAT-O-MATIC. 400 big league players perform according to their actual abilities and your managerial decisions. You, the manager, call all strategy moves for all 20 major league teams.

You, the manager, not only decide lineups, insert pinch-hitters, pinch-runners, and relief pitchers, play your infield "in or deep," and make defensive changes at any time, but also call for the sacrifice, steal, hit-and-run, and squeeze-play. All strategy moves are possible with STRAT-O-MATIC.

SEND FOR FREE SAMPLE OFFER NOW

You have real control over all 400 major league players — who actually hit, pitch, field, and run according to their baseball abilities.

Each player has truly individual qualities. He slumps and goes into hot streaks, performs heroics and commits errors. With STRAT-O-MATIC all qualities of a ballplayer are realistic.

For example, in batting Dick Stuart will be among the leaders in both homeruns and strikeouts. Albie Pearson will be among your batting average leaders, but will hit less homeruns than the average ballplayer.

In pitching, Warren Spahn will display brilliant control, be difficult to hit, but will yield as many "gopher" balls as the average major league pitcher.

In fielding, Willie Mays will make catches which other outfielders would fail to make. Bill Mazeroski will make fewer errors and take away more would-be base hits than other second basemen. In base running, and stealing also, all players will perform realistically.

The above are just some of STRAT-O-MATIC's highlights. For the entire story, mail coupon for a colorful FREE BROCHURE containing full detailed information and FREE STRAT-O-MATIC SAMPLES. Don't delay. Write today!

FANTASTIC 4 FAN PAGE!

Dear Stan and Jack,

F.F. #26 was a wild one and I loved it! Imagine the number of super-heroes turning into a disadvantage! Taking a look at the cover one would think the Hulk was inescapably doomed. But what happens? The Torch just about singes Captain America, Mr. Fantastic lassoes Iron Man, Invisible Girl force screens Giant Man and Thor hits the Thing with his hammer. And what defeats the Hulk? Some itching ants and a capsule dropped into his mouth by Rick Jones! About the cover, I think it gave a perfect overall picture of the story and it was one of the best covers you've ever given us. That was quite a crowd of guest stars—next thing you'll be having the X-Men, Avengers, F.F., Spider-Man and Daredevil fighting Dr. Doom, Sub-Mariner and the Hulk! Don't give the Hulk his own magazine. He's great like he is—as a super-villain. He's probably appearing more in Avengers and F.F. than he would if he had his own magazine. Or, if you want antother angle, giving the Hulk his own magazine would be like giving Dr. Doom his own magazine—and sure enough, you off-beat Marvel editors will probably think, "Say, why not?"

Scott Frederick, 810 Jansen
Mena, Arkansas

Say, Scotty boy—why not? As a matter of fact, we're gonna start FEATURING ol' Hulky as the second strip in TALES TO ASTONISH (a la Dr. Strange in STRANGE TALES!) As for darlin' Doc Doom—wait 'n see!

Dear Stan and Jack,

Congratulations to you all for such marvel-ous mags! My husband and I, both 25, have all kinds of reading material in our house but ever since he brought home a stack of your Marvels, something new and different has been added to our book collection. May I also say that we entered our subscriptions to just about all of the Marvels including Daredevil which is amazing! You asked for comments on issue #26 of F.F. when the Avengers were "supposed" to take over. Well I hate to admit it (and I know I won't have an occasion to again as I have a great deal of faith in you) but after debating this with my husband, we both think it was a letdown. There was absolutely nothing in this whole issue aside from the fact that all our great heroes got in each other's way—nothing happened—nobody took over—and there was hardly any ending. Well, this is just one opinion and I am anxious to read the opinions of the rest of the fans. I know how busy you are so I will close for now, but not without saying that Daredevil #1 was extremely satisfying. Congratulations are certainly in order for this new mag. We are looking forward to his next issue and all future issues of the Marvel Group. 'Bye for now!

Lucy and Joseph Fernandez, 19 Boenay St.
Albany, N. Y.

Tell you what, lovebirds—drop us a line on your next anniversary, and we'll send you a gift subscription! Issit a deal?

Dear Stan and Jack,

I owe you guys an apology—at first I thought books like yours were impossible, and still think other books with super-heroes are, but when I first bought a Marvel—I changed my mind completely. I don't think hardly anybody writes comics like yours!

Jim McDaniel, 327 East Lewis
Sinton, Tex

They better not, Jimmy—or we'll sue!

Dear Stan and Jack,

I received F.F. #26 today and it was just dandy! It hadn't lost any of the excitement from #25 during the time between the two issues. The team of Lee and Kirby is certain to go down in the annals of comic history as one of the all-time greats. Most companies agree that we are in a new Golden Age of Comics with which I agree, but you call it the MARVEL AGE OF COMICS which I consider a wrong statement. While Marvel has the best writer, some of the best artists, and some of the best characters, other companies have very good artists, writers, etc. So in my mind Marvel isn't wholly responsible for the New Golden Age—you should refrain from using the term MARVEL AGE and use the former.

Brady Flowers, 10. E. Washington Ave.
Le Center, Minn.

But Brady, ol' boy—we're only referring to our OWN mags! We agree that other companies have good artists, writers, etc. So let them make up their OWN ages! Fair enuff?

Dear Stan and Jack,

The F.F. ought to go back in time like they did in F.F. #19. Maybe they could go back to the middle 1800's where they could meet Kid Colt, Rawhide Kid or the Two-Gun Kid. This would make a terrific story! You could print it in one of your westerns. This should make them sell better. Why don't you put a letter column in one of your westerns? It would be the melting pot for all letters concerning your westerns.

Gail Sutton, P.O. Box 372
Oracle, Ariz.

"Hey, Jack—do we still publish Westerns?" "You're askin' ME, Stan?? I can't even remember how many fingers to give the Thing!"

Dear Stan and Jack,

Wow, I've had it! The F.F. have gathered together in issue #27 and have been defeated again! Even when they employ outside help they are powerless to subdue the Sub-Mariner! Why don't they get wise and adopt this angle. "If we can't lick him, let's join him!" Naturally, I enjoy seeing a villain preserved for future issues, especially one as formidable as Sub-Mariner, but it does seem that the great and all-powerful F.F. could at least once bring the villain to justice! It would of course be another stupid deadlock if you matched the F.F. against Sub-Mariner or the Hulk in the next issue so I suggest with all sincerity that you let the F.F. do battle with a foe more in keeping with their capabilities, say—Popeye—and please don't let him have his spinach or he will wipe out the F.F. completely!

James E. Kunkel, R.R. #2
Princeton, Ind.

Not unless it's been soaked with cosmic rays, Jimmy! We make our own rules!

Dear Stan and Jack,

Though I'm a loyal F.F. fan and I believe that it's the world's greatest comic magazine, there are two things that I dislike about it. My main complaint is the continual appearance of the Avengers. Don't think that I don't like them—it's just that most of the members have their own magazine and I don't think that they should clutter up the F.F. pages. My other objection is that you usually have just one story instead of two or three. Despite these minor faults, I find that no other magazines compare with your artwork, costumes, plots and characters!

Bruce Levy, 840 Plainfield Lane
Valley Stream, N. Y.

Your problem is solved, Bruce! If you want two or three stories instead of one, just buy two or three mags—Marvels, that is!!

Dear Stan and Jack,

Once again you proved that Marvel Comics are the best F.F. #25 and #26 were two of the greatest mags ever! The covers on both of them were good. Too bad Mr. Fantastic got the unknown virus in #25 but I'm glad you brought him back fighting in #26. Sue's invisible force field is still too weak. Reed should find a way to make it stronger. The

Torch was also hospitalized for carelessly fighting the Hulk and that left blue-eyed Benjamin to do the job. There was a battle—it was something! Too bad the Thing lost. I knew he couldn't beat the Hulk. Then came the big one in #26. Everyone was there! The Avengers and the F.F. against the Hulk. I just still can't figure out why they couldn't stop the Hulk—that guy must not be just strong, but unbeatable as well! Well, so much for that. Strange Tales #120 was a dandy. The Human Torch and Iceman should meet again some time. X-Men #4 was great—Magneto was more dangerous than ever. Keep up the good work—you might get a trophy!

Chris Apostal, 452 Madison St.
Gary, Ind.

Sure, Chris—other guys get paid—WE get trophies!! Oh well . . . !

Dear Stan and Jack,

I simply must send my thanks and congratulations for so many super stories. You guys make me feel like I know you personally when I read the fan pages. When I read the stories I feel like I'm right there with the characters. I don't know exactly how to say this, but I feel like all the comic characters are my personal friends.

Bruce Hall, 117 W. 4th St.
Winchester, Ind.

For someone who doesn't know how to say it, you said it just fine, pal! Thanks a heap!

Dear Stan and Jack,

How on earth can you guys ever think up all of these colorful costumes? I'm writing about your latest masterpiece, the Plantman's new costume. I have never seen one (and I've seen a lot of them) fit the personality of the character so well. His return in Strange Tales #121 was a complete masterpiece! Dr. Strange should definitely be given more room. Five to ten pages do not give him justice. He should get his own mag or give the Human Torch his own mag and let Dr. Strange take over Strange Tales. I only have one complaint about all your mags. Your covers are too cluttered. On practically every cover you put ugly, unnecessary arrows, boxes and other frills to (I suppose) make your comics look more dramatic or exciting. Believe me, they're exciting enough! You really don't need them!

Gardner Ruffin, 680 N. Auburndale
Memphis, Tenn.

Sure we need 'em! They keep adorable Artie Simek so busy, that he doesn't have time to tell us those corny jokes of his!

Dear Stan and Jack,

Hondah! A great big "Hi" from the land of the Apaches! Just picked up the latest issue of F.F. from my brother's room and the whole series has been terrific! You are doing a fine job. How about having an American Indian as a super-hero among your fine group? Hope you will make a positive decision on this. May Usen bless you!

-Beth Oxford (Dancing Fawn), 2932 E. Diamond
Phoenix, Ariz.

And, as Dr. Strange would say—May the light of the Vishanti shine upon you! If we do dream up any Indian characters, we hope we can find a name as lovely as yours, Dancing Fawn!

SPECIAL ANNOUNCEMENTS SECTION:

—Well, this is it! Time for some straight talk about the biggest comic mag publishing event of the year—the long-awaited (by us!) Marvel Comics Group ANNUALS!

—First, let's discuss the two which are on sale right now! In alphabetical order we have MARVEL TALES #1, a collection of origin stories of your favorite heroes—Spider-Man, Thor, The Hulk, Iron Man, Sgt. Fury, and the ever-lovin' Giant-Man! These are presented exactly as they appeared in the past—nothing changed—with a few explanatory notes added! ALSO, here's the big bonus surprise of the season—in answer to countless requests (two!) we borrowed a camera and shot a double-page spread showing actual unretouched photos of virtually every merry Marvel madman here at the bullpen! This is the kind of mag you'll want to save for years and refer to time and again, so take good care of it and promise us you won't use it for wrapping fish!

—Also on sale now is the one and only SPIDER-MAN ANNUAL #1! In order to make this first Spidey annual an ish you'll never forget, we worked night and day and managed to put it together without any reprints! That's right! It contains a full 72 pages of all-new stories, features, and typical Marvel surprises! It headlines a 41 page epic starring SIX super-heroes, all against our one little web-spinner! If we say any more, we're liable to get so carried away that we'll run out and buy some extra copies ourselves, so we'll clam up now! But one last word—if you don't buy it SOON, forget it! No matter how many Annuals we print, there never seem to be enough to go around!

—Then, by the time you stop cheering about MARVEL TALES and SPIDER-MAN, you'll be ready for the greatest of all—on sale a short time later—with the largest press run in its history—the one, the only, the original —FANTASTIC FOUR ANNUAL #2! While this column is being written, Stan and Jack are still working on it, burning the midnight oil to make it the most talked-about mag they've ever created! Some of its features are still top secret, but this much we CAN tell you—it stars an epic-length thriller entitled "The Final Victory of Doctor Doom!" in which he defeats the F.F.—or does he?? Also, for the first time—a detailed, never-before published "Origin of Doctor Doom!" Stan and Jack vow that it's their finest achievement, but—as usual—you'll be the final judge! Anyway, do yourself a favor and be sure you reserve your copy at your newsstand NOW—once it goes on sale it'll be harder to find than the Hulk's hideout! So don't say we didn't warn you!

—And, if you'd like a change of pace, we've also got a nifty new MILLIE THE MODEL ANNUAL #3! But we're warning you—it doesn't feature very many super-villains! 'Nuff said!

—Okay, in the time we have left, let's see what else we can talk about—SAY! Here's a new item! There's a big change coming in TALES TO ASTONISH! Besides featuring our jovial Giant-Man, we will also feature none other than—the Incredible Hulk!! Yep, just as Doc Strange shares the limelight with the Human Torch in STRANGE TALES, so will ol' Hulky be a steady feature along with Giant-Man, starting with TALES TO ASTONISH #60! So buy it! We don't want ol' green skin to feel insecure!

—Guess who Spidey is battling in SPIDER-MAN #16? (On sale now). Only Daredevil, that's all!! And remember the Ringmaster, one of the Hulk's earliest foes? Well, he's in it too! For all of you who've been clamoring to see Spidey and Daredevil together in one story, this is right up your alley!

—The new AVENGERS #5 has a great yarn this month, too! It stars the exquisite Enchantress, and the evil Executioner, who made such a big hit in THOR #103, teamed up with zany Dr. Zemo for a real wild and wooly yarn! And you'll flip over Captain America's action in this one.

—DAREDEVIL #3 is also on sale now! Drawn by Joe Orlando, who gets better with each pencil stroke, it features the sensational sightless superhero battling a whiz-doozey of an arch-foe called The Owl! For dazzling art and a solid Stan Lee-type story, don't miss Marvel's newest hit!

—WOW! We almost forgot! Starting with the current STRANGE TALES #124, bashful Benjamin is going to be teamed with the Torch in each and every issue—PLUS the usual great Dr. Strange thriller! If THIS doesn't make it one of the greatest mags around, we'll resign from the Yancy Street Gang!

—Last minute flashes—THOR battles The Gray Gargoyle in ish #107, and our handsome refugee from a barber shop is more dramatic and daring than ever! IRON MAN #57 has ol' shell-head fighting Hawkeye the Marksman, with the breath-taking Black Widow lurking in the background. And now hear this! In ASTONISH #59, Giant-Man, all by his lonesome, dares to battle the Hulk—and wait'll you see how he does it!

—As for the next ish of the world's greatest comic mag, all we can tell you at this time is that it's loaded with surprises! Some of them are so startling that we haven't even dreamed 'em up yet! So keep your 12¢ in a safe place till F.F. #31 goes on sale—then grab a copy! You'll be glad you did! So, till we meet again, take care of yourself! A good fan is hard to find!

MY SECRET NEW DYNAFLEX METHOD

CAN BUILD YOU A MAGNIFICENT NEW HE-MAN-MUSCLED BODY IN JUST TEN MINUTES A DAY—with absolutely NO weights—NO bar-bells —NO EXERCISE AT ALL!

Mike Marvel

Yes! If they LAUGH at you now when you take off your shirt—they'll be amazed —once they've seen the rugged DYNAFLEX BODY I can give you! I'll build you a tough massive body—shoulders clad with solid inches of he-man BRAWN. I'll give you bulging biceps, trip-hammer fists, power-packed legs, and a chest that will have you popping the buttons off your shirt with pride! (—says MIKE MARVEL, "Builder of Champion Bodies")

In my classes this same course of Instruction would cost $110.00.

ARE YOU WEAK, ALWAYS TIRED, LACK PEP?

Whether you're thin and scrawny, or sagging with unsightly fat — my secret DYNAFLEX method will cram pep, vigor and red-blooded vitality into your puny, exhausted body. Once DYNAFLEX makes you a two-fisted dynamo of manly beauty, rippling with power, glowing with magnetic appeal—you'll be bursting with get-up-and-go. Man, you'll be really ALIVE—tingling with zest and rip-roaring energy—for the first time in years!

PROOF!

"I tried two other systems, before my buddy told me about DYNAFLEX. It really works —and how! I've put two inches of solid muscle on my biceps, three inches on my chest. It's like magic!" L. C., New York City

"I never thought you could build terrific muscles without exercises or weights. Started DYNAFLEX two weeks ago, and am building a great physique." E. G., Detroit, Mich.

"DYNAFLEX is the best yet. Only three weeks, and I have more dates than I can handle! I am telling all my pals about DYNAFLEX." F. S., Chicago, Ill.

ARE YOU ASHAMED OF YOUR BODY NOW?

Pal—do YOURSELF a favor! Take a good long look in a mirror. Do you see a puny, starved body—scrawny arms—bony shoulders—a flabby stomach and skinny legs? Do they laugh and grin when you take off your shirt?

BELIEVE IT OR NOT—I can add solid pounds of rippling, steely he-man MEAT to your build. I can take those skeleton arms and PACK EVERY INCH with explosive virile MAN-MUSCLE. I can take that caved-in chest and build on six rugged inches of strong sleek MAN-SIZED BRAWN. I can clothe your skinny frame with GIANT RIPPLING DYNAFLEX MUSCLES that will have them gasping with awe and admiration! And with NO tiring exercise, NO high-priced bar-bells or gym equipment!

Or is your problem a body sagging with soft rolls of unhealthy, handsome FAT? Puny muscles—sagging stomach—bloated face—arms heavy with layers of BLUBBER? Are you ASHAMED to go to the beach and let them see your "FAT-MAN PHYSIQUE"?

If so, wake up fella! THIS IS IT! I will peel off that fat and give you a lean virile DYNAFLEX BODY, armored with a sheath of hard tough handsome muscle. I can build you into a healthy, streamlined HERCULES — bursting with dynamic manly strength. I'll give you a taut rock-hard midsection—legs muscled like coil steel springs. I can pack solid DYNAMITE into your fists and give you a rugged handsome build brim-full of the magnetic SUPER-BODY APPEAL. And with NO starvation diets — NO fatiguing calisthenics — NO expensive health-foods!

HOW DYNAFLEX BUILDS BEAUTIFUL BODIES

DYNAFLEX is the modern miracle of body-building. It takes no tiresome exercises, "crash" diets, protein foods, and no weights or bar-bells. DYNAFLEX is the amazing discovery of a West German Doctor whose research into the Science of Strength found a thrilling new way to build GIANT BRAWNY MUSCLES in ten minutes a day. With DYNAFLEX you "flex" each muscle once—in a certain way—that is more effective than if you exercised that muscle 20, 30, even 100 times the old-fashioned way. With DYNAFLEX you get bigger results in ten minutes than after hours of grunting and groaning, hefting heavy weights.

DYNAFLEX coaxes each muscle in your body to bring out its round, steely fullness and satiny symmetry. DYNAFLEX packs that muscle with glowing vibrant new strength and energy—FAST. In ten minutes a day I can cover your bony frame with healthy rippling muscle—give you a deep, powerful chest—solid shoulders and iron wrists—tough, slim midsection—and trim, steel-spring legs—simply thru "DYNAFLEXING" each muscle once a day! There's nothing wrong with the bar-bell and weight-lifting method . . .but why bother? Why waste time and money, why sweat and strain your way to a streamlined symmetrical SAMSON-STRONG BODY—when you can do it better—bigger—faster—easier with the DYNAFLEX SECRET?

STRONG-MAN BODY THAT'S ADMIRED!

Be honest. Down deep you KNOW you envy the boy with the virile, magnificent build. Every man and boy secretly desires a broad brawny back, a solid man-muscled chest, handsome he-man shoulders, arms rippling with tough, steely sinews, a narrow waist, slim hips and springy, power-packed legs. Be a fellow with TWO-FISTED BIG MUSCLE APPEAL . . . they only laugh at skinny guys or "fatso's".

Let me give you a glowing new body, brimming over with energy and irresistible inches of solid muscle on your chest—he-man appeal. I can build three inches of beef and brawn on your shoulders. I will mold you a handsome super-body of terrific strength, give you a crushing grip, legs crammed with steel springs. A lean taut rock-solid punch-proof midsection. Pack your body with energy and stamina that will help make you popular.

GIVE ME TEN MINUTES A DAY —THAT'S ALL!

After DYNAFLEX, you'll be able to roll up your sleeves and take off your shirt and, for the first time in your life, you'll be PROUD of your manly build. Yes, pal, say goodbye to your weak, flabby frame—get ready for adventure and romance with a solid physique that glows and vibrates with virile he-man appeal. You'll be really proud to have people see your MAGNIFICENT HE-MAN MUSCLES at the beach or gym. And, when the fellows stare with envy and jealousy—when friends crowd around to squeeze your iron biceps or touch your bulging brawny chest—when they ask in amazement HOW you did it—tell them about the Magic Secret of DYNAFLEX!

Are you proud of your paycheck?

You could be . . . If you mastered Auto Mechanics, a well-paid trade

You have been thinking of improving yourself. You would like to get a technical education, so that you can qualify for a better job and greater security. Why not consider the automotive field, one of America's greatest? Over 7 million cars and trucks are sold each year. These, added to the 57 million vehicles already in use, provide a rich source of rewarding jobs for trained mechanics. The pay is well above average, work is steady and opportunities exist in almost any community.

30 Job Experience Projects Included

CTI lessons are written in simple English and fully illustrated. Thousands have learned auto mechanics through lessons alone. To make it still easier to apply "lesson learning" to actual auto repairing, and to build your confidence, CTI provides each student with 30 Job Experience Projects. This practical instruction will encourage you to begin repairing cars as you train, and earn money in spare time. It will help you get experience.

Student letters prove training works

"Have started my own tune-up and brake shop."—G. Gunz, Cal. "Am proud I finished course. Have two job offers."—Barden Vance, Ind. "Am working as a mechanic and earn twice what I used to. Made $25 a week as I trained."—Jerome Slowik, Ill. "Am now a senior auto mechanic. Made $800 during training."—Ronald Wharton, Ind.

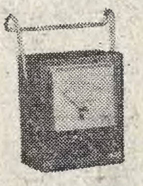
Train at home for a better job or your own business

You don't need a formal education or previous experience to master auto mechanics. You can learn at home by devoting a few hours each evening and week-end to training. CTI, one of America's foremost auto training schools, will send lessons that are easy to read and understand. You'll receive tools and instruments, as well as shop projects, to help you gain experience as you learn. You keep your present job and switch to your new occupation when you are ready.

15 KITS OF TOOLS AND TESTING INSTRUMENTS

MECHANIC'S TOOLS INCLUDING SOCKET SET AND TRAY

TORQUE WRENCH



VISO-ANALYZER (VOLT-AMPERE TESTER)

CAM ANGLE TACHOMETER

VACUUM GAUGE AND FUEL PUMP TESTER; COMPRESSION TESTER

STARTER CURRENT INDICATOR

BATTERY CELL TESTER

POWER TIMING LIGHT

Testing instruments help locate engine and electrical system troubles quickly, save time and effort. You also get a set of mechanic's tools. Only CTI sends this much equipment.

Many earn cash in spare time

Many CTI students begin repair work before they graduate — some after a few lessons. They report that they save money fixing their own cars. Many do repair and service work for friends. With their profits they pay tuition, sometimes earn enough to build and outfit a repair shop. Full-time businesses often develop this way.

Diesel Mechanics or Body-Fender Repair

As part of your training, CTI also sends instruction on either Diesel Mechanics or Body & Fender Rebuilding. These lessons may add considerably to your earning potential. No extra charge. Only CTI gives you a choice.
